# What this course offers

This qualification is for people intending to develop the skills, capabilities, knowledge and attributes needed to enter an industry where light, heavy and civil transport assets are used, and to progress onto the larger vehicle licence class levels if desired.

This is a full-time 16 week course involving both theory and practical sessions - start date 20 July to 6 November, with enrolments being taken now. The course is based in Whakatāne with practical sessions held in Kawerau. Transport is available if you live out of town.

The course cost fee of \$2,500 covering the programme, approved by NZQA.

'Fees Free' may apply [www.feesfree.govt.nz](http://www.feesfree.govt.nz).

Student Loan funding is available through StudyLink: [www.studylink.govt.nz](http://www.studylink.govt.nz)

Once you complete the course you will hold relevant certificates: "NZ Certificate in Study and Career Preparation – Commercial Transport – Level 3". Graduates of this certificate have enhanced opportunities of employment.

This practical programme provides students with the necessary skills and knowledge to safety work in a range of roles associated with the commercial and civil works industries, including industries in which transport and machinery assets are employed.
