Class 2 Truck Licence Course

Class 2 Truck Licence Course

An NZTA approved Class 2 truck licence course allows you to drive a vehicle up to 18,000kgs or a vehicle with two axles.

Heavy truck drivers usually earn between minimum wage and \$30 an hour.

There are two stages to get your Class 2 truck licence. The first is to obtain a medical certificate and pass the NZTA Class 2 Learner Licence Test and then secondly you need to complete the Class 2 Full Licence Course and assessment.

The three-day Class 2 Full Licence course fee includes theory training for unit standards 24089 (Fatigue and Logbook), 17574 (Operate a Rigid Vehicle Class 2) and a practical assessment.

A pre-requisite is that you hold your Class 2 learner's licence (2L). If you do not have your Class 2 learner's licence you must complete this before the start of the course.
