Wheels Tracks Rollers Endorsement Course

Wheels / Tracks / Rollers Endorsement Course

Workers with a WTR endorsement can earn between \$20 and \$35 per hour.

To drive a special-type vehicle on the road that isn't a forklift, you must have a W, T or R endorsement on your driver licence.

This 1-day course includes the theory and practical components and includes:

W endorsement: vehicles that run on wheels, that aren't forklifts, such as passenger vehicles, tractors, fire engines, trade vehicles or vehicle recovery service vehicles.

T endorsement: vehicles that run on self-laying tracks.

R endorsement: vehicles that run on rollers.

The size, weight and speed of the vehicle will be relevant to the Class of licence you hold.

You need to have your full Class 1 Car licence (1F) before you can add a licence endorsement.
