

EDGE CUMBE

-  **Construction and infrastructure** – management, machinery operation, carpentry, fitting, hammer hands, engineering (civil, industrial, mechanical), computer science, roading, planning, resource management
-  **Dairy Farming and Processing** – engineering, production, logistics, extraction, pasture and animal management, milking, technology, science
-  **Logistics** – haulage, truck drivers, machinery operators, planners, project managers
-  **Mānuka honey** – science research, marketing, product development, beekeepers, mānuka growing and farming, business management, logistics
-  **Kiwifruit** – Orchard operations, harvesting, tractor and forklift driving, management

KAWERAU

-  **Boat building** – engineering, welding, design, marketing, logistics
-  **Construction and infrastructure** – management, machinery operation, carpentry, fitting, hammer hands, engineering (civil, industrial, mechanical), computer science, roading, planning, resource management
-  **Dairy Farming and Processing** – science, engineering, production, logistics, extraction, pasture and animal management, milking, technology
-  **Forestry** – hauling, big machine operators, silviculture
-  **Geothermal** – technician, electrical, engineering, mechanical, drilling, maintenance
-  **Helping professions** – social services, education services, youth services, health services, elder care
-  **Logistics** – haulage, truck drivers, machinery operators, planners, project managers
-  **Timber manufacturing** – design and manufacturing, engineering, hauling, logistics, leadership
-  **Tourism** – cultural, destination, lakes, rivers, adventure sports, service

MURUPARA

-  **Forestry** – hauling, big machine operators, native tree nursery, silviculture
-  **Logistics** – haulage, truck drivers, machinery operators, planners, project managers
-  **Tourism** – cultural, destination, fishing, rivers, Whirinaki, service
-  **Dairy Farming** – pasture and animal management, milking, technology, science
-  **Helping professions** – social services, education services, youth services, health services, elder care

CAREER AND JOB OPPORTUNITIES ON OUR DOORSTEP

TĀNEATUA

-  **Forestry** – hauling, big machine operators, silviculture
-  **Helping professions** – counselling, social work, drug and alcohol counselling, elder care
-  **Tourism** – cultural, destination, fishing, rivers, Te Urewera, service

WHAKATĀNE

-  **Boat building** – engineering, welding, design, marketing, logistics
-  **Dairy farming** – pasture and animal management, milking, technology, science
-  **Construction and infrastructure** – management, machinery operation, carpentry, fitting, hammer hands, engineering (civil, industrial, mechanical), computer science, roading, planning, resource management
-  **Helping professions** – social services, education services, youth services, health services, elder care
-  **Logistics** – haulage, truck drivers, machinery operators, planners, project managers
-  **Mānuka, honey and kiwifruit** – science research, marketing, product development, beekeeping, mānuka and orchard care and operations, harvesting, machinery operations, management, logistics
-  **Timber manufacturing** – design and manufacturing, engineering, hauling, logistics, leadership
-  **Tourism** – cultural, destination, fishing, Whakaari - White Island, Moutohorā, Ngā Tapuwāe o Toi Walkways
-  **Service industries** – customer service, business management, hospitality, accommodation, planning, promotions
-  **Water production** – logistics, marketing, manufacturing

ŌPŌTIKI

-  **Aquaculture** – skippers, marine science, sea farms, processing, commercial boating and fishing
-  **Construction and infrastructure** – management, machinery operation, carpentry, fitting, hammer hands, engineering (civil, industrial, mechanical), computer science, roading, planning, resource management
-  **Dairy farming** – pasture and animal management, milking, technology, science
-  **Helping professions** – social services, education services, youth services, health services, elder care
-  **Kiwifruit** – marketing, automation, research and development, accounting, human resources, logistics, machinery operations, grower liaison, coolstore operations, orchard operations, management, data management and analysis
-  **Logistics** – haulage, truck drivers, machinery operators, planners, project managers
-  **Mānuka, honey** – science research, marketing, product development, beekeepers, mānuka growing and farming, business management, logistics
-  **Tourism** – cultural, destination, fishing, rivers, cycling, Motu Trails, service
-  **Service industries** – customer service, business management, hospitality, accommodation, planning, promotions
